

Forest Action Trust (F.A.T)

Forest Action Trust (F.A.T) is an independent Melbourne-based community environment group. We are working to raise awareness of the significance of Victorian and Tasmanian forests, and campaigning for the protection of old growth forests, water catchments and threatened species habitat in the two states.

We organise and would love help with:

STALLS- Information and awareness raising stalls at markets, festivals, unis and events
SKILL-SHARE- Workshops on flora & fauna survey, campaigning skills, tree climbing
DIRECT ACTION- City based actions to raise the awareness and media profile of issues
SPEAKERS- Talks to community groups, powerpoint or general chats
FOREST TOURS- Forest trips, camping, rainforest walks to threatened areas across Vic.
EVENTS & FUNDRAISERS- live music gigs, art exhib., film nights etc

All are welcome

Meetings are held weekly, on Mondays 7.00pm at Friends of the Earth,
Smith St. Collingwood
